#### **New Business**

Social Media Initiative (YouTube/Facebook)

- Decision made to combine YouTube and Facebook initiatives
- Subcommittee formed to make key decisions
  - Richard Walker
  - Nathan Potter
  - Howard DiNatale (subcommittee chair)

### **Civic Plan Presentation**

- Transportation
  - Create buffers for pedestrians on Canyon Road
    - Transforming Canyon into an urban roadway
  - Eliminating dangerous turns
  - Widening shoulder space
  - Putting together ordinances and policies for businesses as they redevelop
  - To keep the project at a reasonable price, curbs are not being moved
  - Speed limit will be self regulated with design
  - Lane width will be evened out to 13' and 13'
  - New bike routes will go forward irrespective of the Canyon project
  - Bike racks are part of the short term design
- Bikeway network
  - Long term goal is to use Millikan as a bikeway and connect it to Lombard
    - Current signal needs to be modified
  - Left turn box from Canyon to East Broadway is in consideration
- Key design solutions
  - Marking and signing
  - Intersection and crossing treatments
  - Lighting improvements
  - Shared road markings
  - Optical stop bars
  - Crossbikes lane markings
  - Left turn boxes
    - right turns on red have to be restricted
  - Advanced stop bar
  - Bike boulevard signing
- Next Steps
  - Field work
  - Coordination with city staff on design
  - Facility and design treatment selection
  - Plan view conceptual designs (planning level)
  - Second presentation to BAC

### **Bike Beaverton Update**

- Bike Gallery, Bike 'n Hike and Coventry mechanics are committed
- Stationary bike booth proposed
- Library lobby display
  - buy time on the video screen
  - talk to library management
